RAIN BARREL PRODUCT LINES

2023

A BRAND OF

 **Bushman**  
RAINWATER HARVESTING

# RAIN WIZARD

Available in both 40- and 50-gallon capacities and with or without darkened ribs, the Rain Wizard is the most popular rain barrel on the market for a reason.

- Made of BPA-free resin
- Linkable to other barrels for increased capacity using separately sold linking kit
- Resistant to rust, mold, mildew, and rotting
- High quality brass spigot for hose hook-up + overflow spout
- Screen to keep out debris

## RAIN WIZARD 65

Similar to the Rain Wizard 40 and 50, the 65-gallon iteration is available with or without dark ribs, but features a planter top with an integrated overflow channel.

- Made of BPA-free resin
- Linkable to other barrels for increased capacity using separately sold linking kit
- Resistant to rust, mold, mildew, and rotting
- High quality brass spigot for hose hook-up + overflow spout
- Screen to keep out debris

# RAIN WIZARD ROCK

- 42-gallon capacity rain barrel
- Rock like appearance blends in with your home and garden setting
- Meshed screen blocks debris from entering your water supply
